

# Is God Calling You To Explore Something New?

## **New Exploration Initiative Opportunity**

Are you or someone you know interested in starting a group for the purposes of study, worship and fellowship? The Missions Ministry Team is looking for Cumberland Presbyterians who are being called by God to start a group in their community that could ultimately be a new church development. The Missions Ministry Team can help discern if a New Exploration Initiative can be started in your area.

**Missions Ministry Team  
of the  
Cumberland Presbyterian Church**
