### USA

We pray for the churches and presbyteries in the USA, that God will continue to lead and guide them to effective ministry despite the strong cultural headwinds they face. We pray that God will continue to reveal new and innovative methods of evangelism and church planting. We pray for unity, that the CP churches in the United States continue to focus on Christ as their shared principal focus. We pray for wisdom, that as CPs around the world look to the CP churches in the USA, they will be a positive influence and source of blessing to others.

**How do we pray for the nations that gather as the family of CP churches giving witness to Christ?**

Please cut these prayer cards apart, put them in your Bible and use them as reminders to pray for our mission fields.
