

2021-2022 Women's Ministry Projects & Offerings

Stott-Wallace Missionary Fund

Convention voted to for all local and regional women's ministry group to collectively support the Stott-Wallace Missionary Fund in the FALL of each year. This fund goes to support the salaries and benefits of CP missionaries serving outside the United States. Women of the Cumberland Presbyterian Church have deep roots in supporting missionaries and the missionary effort. This collective project will once again unite women in supporting CP missionaries.

Funding for the Cumberland Presbyterian Women & Children's Ministry in Brazil.

There is a strong leadership presence of women in Brazil, under the director of the CP Missionaries Josue and Sara Guerrero, who are rising up to minister to the children and communities of the churches. Several times throughout the year, the area churches gather at the church camp for weekend retreats and camps. Funding is needed to continue to sustain and grow this ministry.

Funding Goal: \$20,000.00

Employee Assistance Program (EAP).

Cumberland Presbyterian Ministers (and their families) are often first in line in response to traumatic events that occur to church families and friends. Especially during the COVID-19 pandemic, ministers have been pushed to the max emotionally. The EAP is available to help ministers (and their families) receive counseling services from a professional who can help them to debrief, maintain healthy mental health, and remain the spiritual foundation so many of us need. The EAP is funded through presbyteries, but the Pastoral Leadership Development Team would like to offer a greater financial discount in order that all who want to have access to the EAP are able.
